56th ICASM 2008: Bangkok

A delegation headed by Air Marshal P Madhusoodanan AVSM, VSM DGMS (Air) attended the 56th International Congress of Aviation and Space Medicine (ICASM) at Bangkok, Thailand from 7th to 11th Sep 2008. The other members of the team were Wg Cdr SK Gupta – Classified Specialist (Aviation Medicine), AF station Jamnagar and Wg Cdr HM Keshava Murthy – Graded Specialist (Aviation Medicine), AF Station Uttarlai.

Wg Cdr HM Keshava Murthy presented a paper titled ‘Effect of vibration stress on Heart Rate Variability’ based on a study conducted at IAM, Bangalore. The paper discussed the effects of vibration stress on Autonomic Nervous System (ANS) using Heart Rate Variability (HRV) method in a simulated condition.
